(Για οποιαδήποτε διαφορά ή σύγκρουση, σε κάθε περίπτωση οι αγγλικές εκδόσεις των νομικών συμβάσεων και των πολιτικών θα διέπουν τη μεταξύ μας συμβατική σχέση.)

COOKIES POLICY

Last Updated: January 24 2022

What are Cookies?

Cookies are small files containing data like the username and password that are exchanged between the web server and the user's device to identify the users. Cookies policy is an extension of 'Terms of Service' structured to make the use of griffonhosting.com transparent and secure.

Why do we use cookies?

Cookies allow us to recognize our users' behavior and to improve their browsing experience continually on the basis of insights from cookies database.
When you use griffonhosting.com, you agree with **our 'cookies policy'** also like you agree with our 'terms of service' and 'privacy policy'.

Types of cookies griffonhosting.com can store and use

1. Necessary Cookies

The cookies in this category help us to offer you the best web accessing experience through friendly navigating. These cookies guide us to advance the features and functionality of griffonhosting.com for our user's convenience and a better experience.

2. Functional Cookies

These cookies allow us to manage the griffonhosting.com in accordance to the online behavior of users. We also use cookies to stop the activities that violate our policies and may degrade the quality of page experience of users.

3. Analytical Cookies

These cookies help us to build up a database for the statistical purposes; the analysis provides us insights about how the visitors use our website. These cookies don't contain any personal information like users' names and email addresses.

4. Third-party Cookies

griffonhosting.com has several links to other websites that have their own cookies policies. We try our best to identify 3rd party cookies before these could be used; we inform you to accept or not 3rd party cookies.

How to Delete Cookies

While landing at griffonhosting.com, you get the option to accept or deny the cookies. If you don't want Griffon to collect the cookies any further, you can delete the cookies through browser settings. If you deactivate the cookie or disable the cookies through the browser, you can still visit griffonhosting.com; however, your ability to use some features and functionalities may be limited.

Contacting Us

If you have any questions about our cookie policy, please **contact us**.
